Introduction

Greetings Perspective Applicants!

Our North American 3-Year Practitioner Program by Professor George Vithoukas for medical professionals, experienced homeopaths, 1st time students, and new practitioners at the International Academy of Classical Homeopathy is a distance learning practitioner program. Classes are presented in real time in our online classroom for students in North America. The most accomplished homeopaths and professors of homeopathy in the world were students of Professor Vithoukas. At IACH, students learn directly from Professor George Vithoukas lectures and wealth of homeopathic experience and knowledge. This program is a life changing experience for both experienced homeopaths and new students of homeopathy alike. Advanced homeopathic practitioners who have taken our course after many years of professional practice are astounded by how much more they learn from this course.

We welcome our new class of 2027, and are now accepting applications for our 3-Year Program beginning August 31, 2024. The deadline for application submission is July 31, 2024.

The program presents the core teachings and lectures of Professor George Vithoukas, where he shares his knowledge gained from over 60 years of experience. Our education is based on the highest educational standards according to the principles of Samuel Hahnemann M.D., and is the only homeopathy course adopted as a Postgraduate Course by several medical universities from around the world.

At the International Academy of Classical Homeopathy, we are at the forefront of homeopathic research and the implementation of homeopathic integration in the international medical community. Research papers by Prof. Vithoukas and his research team, displaying impressive cured cases with Homeopathy, are published in peer review medical journals and can be viewed at <https://www.vithoukas.com/research/clinical-cases/> and

<https://www.vithoukas.com/research/scientific-papers/>

Our research team has been invited to many International Medical Congresses and presented papers of the highest standards in terms of new ideas in medicine, which have application not only in homeopathy, but for general medicine as well.

<https://www.vithoukas.com/research/congresses/>

These new concepts and theories have been proposed by Prof. Vithoukas in his book “Levels of Health” and in his article the “The Continuum of a Unified theory of Diseases.”

Students of IACH are not only taught by Professor George Vithoulkas – the leading voice worldwide in classical homeopathy today – but they will find themselves immediately welcomed into this classical homeopathic community by Dan Horvath, IACH DIHom, CCH, RSHom(NA), Cristina Horvath, IACH DIHom, CCH, Latika Jaggi BHMS, IACH DIHom, and all associates of the International Academy of Classical Homeopathy as they study alongside national and international peers in this distance learning classroom platform. Students build a new in depth of understanding in homeopathy, gain perspective and experience, and establish kinship within our homeopathic circle – enabling learning opportunities to last a lifetime.

Classes for the 2024-2027 program will be held on Wednesdays from 5 PM to 9 PM Arizona time, and also the second Tuesday of each month from 5 PM to 9 PM Arizona time. Orientation for the forthcoming year is August 31, 2024 and classes begin September 4, 2024. Classes are held on line via Zoom. Cristina Horvath is the primary instructor throughout this 3-year journey as students observe Professor Vithoulkas' lectures. Mrs. Cristina Horvath's 20+ years of experience in classical homeopathy, deep understanding of George Vithoulkas teachings, and nurturing instruction helps empower students to become successful and confident future practitioners in this healing art.

Students interested in applying for the 2024-2027 program, should complete and return the attached application (located at the end of this catalog) and send all required documents as listed on the application. Applications, registration fee, and required documentation must be received in our office by July 31, 2024 in order to be considered for the class of 2024-2027 commencing August 31, 2024.

Please see more details including testimonials at <http://vithoulkas.college/>

We are very excited to welcome prospective new students of classical homeopathy as well as established practitioners. We are here to answer any questions you might have. We look forward to hearing from you!

(documentation of 10 chronic cases independently taken and written up with two follow-ups each) supervised by a CCH certified or BHMS supervisor.

Courses in Alonissos

Each year Professor Vithoukias teaches a number of seminars throughout the summer months for current and postgraduate students to attend live at the International Academy of Classical Homeopathy in Alonissos Greece.

<https://www.vithoukias.com/education/courses-alonissos>

All students and alumni are encouraged to attend. Each Course consists of a wide selection of live cases and their management, which includes case-taking, case analysis, pathology evaluation, comparison of remedies, homeopathic philosophy, prescribing strategies and an in-depth insight into some of the difficulties encountered in a homeopathic practice. The Courses are intended to illustrate the correct application and thought process during case-taking, and how a proper analysis and process of evaluating symptoms and their synthesis can result in the accurate homeopathic remedy - the similimum.

Continuing Education Sessions

Our Continuing Education Sessions may be attended by our diploma holders, the students who have completed the full program and have received a Certificate of Attendance, and students who completed attending classes and are in the supervised case submission stage. These sessions provide a valuable opportunity to delve into well documented cases. They enhance the students' knowledge and add to their experience in homeopathic practice.

Webinars – Watch and Learn Series

Our webinars may be attended by our students and our diploma holders. The webinars take place several times a year. Each webinar is 12 hours long. These webinars cover various pathologies and include Questions and Answers sessions with Prof. Vithoukias, and Clinical Cases and presentations are demonstrated by an experienced team of Lecturers from the International Academy of Classical Homeopathy. The Webinars are in English with simultaneous translation into nine different languages: Spanish, Portuguese, Russian, Romanian, German, Turkish, Bulgarian, Polish and Thai.

E-Learning for International Students

Our two-year E-Learning program –which is accredited by several international medical universities – is available to students residing outside of North America who do not want to attend the course in the expanded format. The course includes Theory, Levels of Health, Materia Medica, Research Methodology, Repertorization, and Case Studies.

Accreditation of the 2 Year E-Learning Program:

<https://www.vithoulikas.edu.gr/2-year-course/recognition>

Note: The 2 year E-Learning program does **not** include Levels of Health module, Strategies in Prescribing module, in depth analysis of Organon, personalized one on one case supervision, business of practice, homeopathic ethics, homeopathic history, history of repertories.

For more information, please visit:

North American Practitioner Program Programmatic Objectives

Statement of Purpose:

The purpose of the International Academy of Classical Homeopathy is the professional education of medical doctors, medical students and health practitioners/professionals in order to become effective Classical Homeopaths, according to the principles of Dr. Samuel Hahnemann.

Mission Statement:

As a paradigm of distinguished and superlative education in genuine classical Hahnemannian homeopathy, the International Academy of Classical Homeopathy advocates premier excellence in instruction to establish and foster leaders in the homeopathic community who are dedicated to this scientific art of healing in order to:

- Become practicing classical homeopaths in North America,
- Gently restore the sick to health and alleviate the suffering of others,
- Establish respectful and compassionate standards for patient treatment and care,
- Promote the science of homeopathy,
- Contribute to research in the efficacy of classical homeopathy,

- Motivate others to study, practice, research, and teach the classical art of homeopathy,
- Facilitate the advancement of homeopathic education within our associated alternative and conventional medical communities.

Vision:

The International Academy of Classical Homeopathy is an institution for students who seek truth and knowledge in the art of true healing with classical homeopathy in order to become homeopathic practitioners who will continue to change the landscape of homeopathic practice and the future of health care in North America and around the world. Our vision is for the International Academy of Classical Homeopathy to be the principal foundation that promotes and protects the original instruction of Hahnemannian Classical Homeopathy – in its purest form. We intend to unite with more Universities and other academic institutions, to organize fundamental international meetings, to encourage high-quality cutting-edge research, to inform doctors and patients about the immense curative potential of Classical Homeopathy, and to honor the best research projects as well as the most knowledgeable homeopaths from all over the world.

Values:

- Nurturing the Student Homeopath and Continuous Enlightenment of the Practitioner through Immersion Methodology
- Commitment to the International Perpetuation of Classical Homeopathy in terms of Research, Legislation, Public Awareness and Education
- Complete and Whole Restoration of Health and Wellness to the Sick – To Cure as it is Termed
- Respect for All Humanity without Ego and without Bias

North American Faculty

George Vithoukas - Professor of Homeopathic Medicine

George Vithoukas is a Greek Professor of Homeopathic Medicine who is recognized around the world as the personality who re-established homeopathy in the 20th century.

He is the only teacher to permit students attendance at all his live cases; he explains the method of how to take a case, how to analyze it and how to arrive at the right decision for a homeopathic remedy. But the most important advantage for students is that they can observe follow-ups and results after the prescription.

In this way, Professor George Vithoukas demonstrates the whole process of case management which thereby reveals thorough and empirical information concerning the application of Classical Homeopathy. This process is similar to instructions offered at conventional medical hospitals.

Professor Vithoukas' knowledge comes from 60 years' indefatigable efforts to improve, through practice and constant research, the standards of education in order that the empirical effectiveness of the original Classical Hahnemannian Homeopathy will be recognized and accepted by Medical Universities and Medical Practitioners.

Admissions

Prerequisites

We invite students to join our program from all different areas of expertise and study. An associate or graduate degree is preferred but not required. Students who have not taken Anatomy and Physiology and Pathology classes prior to taking our program need to also complete these prerequisites prior to finishing the 3-year program in order to obtain their diploma from IACH. In order to assist students in acquiring these prerequisites, we have aligned our school with another external program in order that students also receive a discounted tuition rate. To view our associated Anatomy and Physiology and Pathology classes please see: <http://vithoukas.college/anatomy-physiology-pathology-courses/>

Procedures

Following are the requirements for student applications:

- A completed application form as well as a curriculum vitae or resume is required for consideration of inclusion to our program.
- Two letters of recommendation are also required. At least one of these should be a professional reference from a homeopathic practitioner, professional in the healthcare industry, or a colleague/superior from the applicant's current profession.

- Additional requirements include proof of identification such as Driver’s License, or Passport to be provided with IACH application.
- Applicants must obtain a background check on themselves from the criminal records office at their local police department. In order to obtain this form, most police departments require applicants to fill out a form at the station. A driver’s license, passport or other legal form of ID must be presented. There is usually a fee for this service, which varies from state to state and city to city, but it is usually between \$5 and \$10. Once the applicant submits the form, it usually takes 5-10 business days before the authorities send the applicant notification that the report is available for pick up. A background check must be included with all application submission.
- A non-refundable \$50 registration fee must be submitted to:
https://www.paypal.com/cgi-bin/webscr?cmd=_s-xclick&hosted_button_id=P4NERM7WZCHR4

The deadline for registration is July 31, 2024. Applications and required documentation must be received in our office by July 31, 2024. All emailed documents must be attached as a Word .doc or in pdf format. Once we receive an application and all required documentation, applicants are contacted via email in order to set up an interview for final entrant consideration.

Furthermore, in compliance with state and federal laws, The International Academy of Classical Homeopathy does not discriminate on the basis of race, religion, color, national origin, age, sex, veteran status, sexual orientation, marital status or disability, in any of its educational programs.

Advanced Placement

Advanced placement into the three-year program is not permitted – regardless of previous education, credits, or diploma. Students are not permitted to “test in” at an advanced level or bypass their first or second years of training in the program. Students with prior training in homeopathy are not permitted to skip select classes, segments, semesters or course portions which may contain some material that they are familiar with. Credits from other schools of homeopathy are not accepted as our program and level of education is unique in its immersion methodology. However, a

50% discount on tuition is granted to those who have already obtained CHC certification or have previously attended the 2-year or 3-year program at IACH.

Diploma and Credentials

Requirements to Obtain Diploma:

In order to receive the IACH Diploma, students are required to complete all the graduation requirements within a maximum period of 18 months from the completion of the program. The graduation requirements include: completion of the entire 3-year program, attendance adherence for class lectures and clinical studies, satisfactory academic performance, a passing grade on the final exam, completion of 10 supervised cases including approval in the Vithoukias Portal, completion of Strategies in Prescribing II module, and completion of A&P course.

Diploma:

Once students have completed all of the program prerequisites listed above, maintained a GPA of 2.0 (on 4.0 scale), completed the course hours with a minimum attendance rate of 80%, maintained an overall average of 70% in the course and passed the final exams, students will receive an IACH Diploma for having satisfied the course requirements. The students who do not complete their supervised cases within 12 months from the time they first take the final exams, will be required to pay three hundred euros (300,00€) for an extension of up to six (6) months of access to the Vithoukias Platform. If the graduation requirements are not complete within this period of eighteen (18) months after the completion of the course, the access to the Vithoukias Platform will be terminated and the student will receive a Certificate of Attendance.

IACH DIHom:

Once students have received their diploma from the International Academy of Classical Homeopathy, they are entitled to use the credentials “IACH DIHom” (Diploma in Homeopathy from IACH) after their name. i.e. Jane Doe, IACH DIHom. This credential does NOT guarantee the right to legally practice in the student’s state/country of residency, as students must adhere to the laws of their own respective local, state and national government.

Technical Requirements

Students must maintain their own equipment in order to attend class in our online classroom. A computer, internet connection, microphone and video capacity are required. Classes are facilitated through Zoom. Zoom is a free application for the students, and must be downloaded prior to class attendance. To download Zoom go to: <https://zoom.us/support/download> which will download and install the client.

Then go to <https://support.zoom.us/hc/en-us/articles/201362283-How-Do-I-Test-My-Audio->) for information about testing audio. An internet connection with at least 1 Mbps of Download speed/rate is required. Students can check internet speed at <http://www.speedtest.net/>.

Throughout the course, students are also required to use Vithoukas Compass software for repertorization, which is also offered at a deep discount to enrolled students. A free trial is available here:

Tuition, Payment Details & Refund Policy

Program cost for the total 3-Year North American Practitioner Program, and payment options:

The tuition for the entire 3-year Practitioner Program is \$12,000, plus clinic fee at \$275 per annum, and a nonrefundable \$50 registration fee, for a grand total of \$12,875.

*NOTE: Current CHC holders and also those who have previously graduated and received a diploma from IACH receive a 50% discount on tuition for the upcoming year.

Normally, the tuition in full is payable prior to beginning the program. However, students may make payments on request for the following payment schedules:

- An annual payment may be made of \$4,000 prior to each new commencing year (no interest or financial penalty)
- Semester payments of \$1,333.33 may be made 3 weeks prior to each semester (3 payments per year for 3 years, with no interest or financial penalty)

A student who chooses to withdraw from the program after the commencement of classes is to provide written notice to the Program Coordinator. The notice is to indicate the expected date of withdrawal and must be signed and dated by the student. A student will be determined to be withdrawn from the institution if the student has not attended class for 5 consecutive classes without explanation of illness or circumstance. The student is entitled to a refund of the semesters they have not attended if they provide a withdrawal notice before the start of the semester. The withdrawal notice should be sent via email to **crisrina@vithoukas.college** and **groups@vithoukas.com**. Students are not entitled to a refund for a semester they have partially attended, or if the withdrawal notice is received after the start of the semester.

Student Guidelines

As this course utilizes immersion methodology and each class is uniquely and heavily saturated in case taking, patient intake, case analysis, and clinical training, we do not record classes in accordance with HIPAA regulations, and a strict 80% attendance policy in our distance learning classroom is strongly enforced in order that students may acquire the highest level of education and training.

Conduct, Rules and Regulations:

Students are expected to behave in a respectful manner to their instructor(s) and peers and should not disrupt the class. The International Academy of Classical Homeopathy reserves the right to dismiss any student for conduct that is not becoming of an IACH student as outlined in the student handbook.

Attendance & Late Policy:

As this course and each class is uniquely and heavily saturated in case taking, patient intake, case analysis, and clinical training, we do not record classes in accordance with HIPAA regulations. A strict 80% attendance policy in our distance learning classroom is strongly enforced in order that students may acquire the highest level of education and training. Attendance counts as 10% of the grade for each semester. On Camera Requirement Students are required to have their webcams on during class.

Absence/Leave of Absence

Students are responsible to obtain missed class notes from peers. Notes are provided for all remedies and most of the theory sessions.

Students who must withdraw due to unforeseen circumstances and require leave of absence may join again in the following year during the same semester that they withdrew from previously. Students are not issued a refund for a semester they have partially or fully attended.

Homework

Homework is assigned weekly or twice per week, depending on the number of classes per week. Submission requirements are explained during orientation, and are also expressed in the Student Handbook for enrolled students to reference.

Expectations and Course Grading System

Homework accounts for 10% of the student's semester grade. Students must turn in their completed homework before the due date in order to receive credit. Failure to turn in an assignment prior to the deadline for submission will result in a 0% for the assignment.

Any student who neglects their course work may be issued a formal warning by IACH faculty. The warning will include detailed information regarding the area(s) in need of improvement, and any changes the student must make in order to comply with requirements. Students who continue to fall below the academic expectations of IACH faculty after issuance of a formal warning may be excluded from the course. Exclusion from the course is equivalent to failure in the course. Furthermore, any instances of plagiarism, cheating, falsifying data, or misrepresentation of one's own studies and coursework will not be tolerated, and are grounds for immediate dismissal from the course.

Students must obtain a grade of 70% or higher, during each academic semester.

Semester Grade Distribution:

1st Academic Year

10% Attendance

10% Homework

80% Final Semester Exams

2nd Academic Year

B – (80% - 89%) Good – This indicates an exceptional understanding of the course material and an acceptable level of comprehension in regard to course material and engagement with the course requirements and activities.

C – (70% - 79%) Satisfactory - This indicates an acceptable level of comprehension and adequate comprehension of the course material as the student has met the most basic requirements for completing assigned work and participating in class activities.

D – (65% -69%) Unsatisfactory. This indicates some minimal effort has been made in regard to the course materials and some minimal participation in class activities merits some credit.

F – (0% - 64%) Failure to make an effort or participate

A student's cumulative semester grade is determined by means of homework grade, class, and clinic attendance/participation, and semester exam grade. A student's cumulative GPA for the 3-Year course is determined by means of homework grade, class attendance/participation, semester exam grades, and final exam grade.

* In addition to these requirements, in order to graduate from the course, students must also **submit 10 clinical cases complete with intake and at least 2 follow-ups.** Students must follow each of the 10 cases for a period of at least six months. (Please see the section on supervised cases.)

Early Withdrawal

A student choosing to withdraw from the program after the commencement of classes must provide written notice to the Program Coordinator. The notice is to indicate the expected date of withdrawal and be signed and dated by the student. A student will be determined to be withdrawn from the institution if the student has not attended class for 5 consecutive classes without explanation of illness or circumstance. The student is entitled to a refund for the semesters they have not attended if the student provides a withdrawal notice before the start of the semester. The withdrawal notice should be sent via email to cristina@vithoukas.college and groups@vithoukas.com. Students are

not entitled to a refund for a semester they have partially attended, or if the withdrawal notice is received after the start of the semester.

Grievance Procedures

A student with a grievance should first speak with their immediate instructor. If resolution to the grievance is not satisfactory to the student, a formal complaint should be emailed to the administration for review by the Practitioner Program Coordinator for North America. Email: info@vithoukas.college

If the matter cannot be resolved satisfactorily, then our Director of Studies in Alonissos, Greece will be consulted, and the position of our Director of Studies in Alonissos, Greece will be final.
